A time for reflection ...

By Katerina Papachristou-Chiotis

Dear Parents,

Christmas time is here and we are almost at the end of the school year's first trimester! I would like to thank the teachers, parents and children for their commitment to the program this year. I'm sure you're all very excited to be heading on your holidays for this festive season. I know you will agree that your children deserve a well-earned break from study – they have been superstars this term.

This holiday season will bring to all of us joy and take our minds away from the everyday routine. Our students will celebrate the coming holidays by learning new Christmas songs and carols as well as participating in the Community Christmas Program and Lessons & Carols.

We break for two full weeks. Students return on Friday January 3rd. If you are going away, perhaps somewhere warmer or perhaps to go skiing, on behalf of all the staff at Greek School, I would like to wish you safe travels and good fortune of the festive period.

I will conclude my Christmas message for 2019 by offering the Greek School community my very best wishes for the festive season. I sincerely hope you all have an opportunity to experience the real meaning of Christmas, enjoy the festivities of the New Year and spend quality time with loved ones. 2019 has been a special year for the school with much to celebrate. I look forward to welcoming everyone back for the start of the 2020!

Merry Christmas to one and all!
