Welcome returning and new families to the 2018-2019 school year!

By Katerina Papachristou-Chiotis, Director

We're excited to begin our new academic year with many great things in store for all the students, parents and teachers of Holy Cross Greek School.

I would like to start off with a special welcome to our incoming Preschool/Kindergarten students whom are new to our school and inevitably a wonderful addition to our Greek community!

I'm thrilled to welcome all of you to the 2018-2019 school year, and I'm looking forward to meeting new students as well as parents and also many familiar ones! I am especially excited to learn about all the summer adventures giving me great motivation and excitement to work with all the students to make this a fabulous new school year!

A warm welcome to our new teacher **Mrs. Evie Moussouras** who has recently arrived from Greece and joined our Greek School!

Additionally, I would like to offer my sincere thanks and appreciation to our **PTO President Lydia Kapoor** who worked diligently throughout the month of August to organize and prepare the Greek School booth for the festival and beyond. An extended thanks to also all other members of the PTO, **teachers and volunteers** who helped throughout the Greek festival at the Greek School booth.

Along with the teachers and staff, I will work hard to continue the legacy of success by building strong relationships with parents, students and our community partners.

The new school year just began and it is very important to ensure that your children are in school on time. We begin **our classes at 4:30**. We are not held accountable for the academic success of your child if it there not present or come frequently late to class.

As the Director, it is important to me that everyone who steps through our doors; teachers, students and parents are excited and happy to be here! This attitude enables us to meet the
